## Step 8: Test transaction password

Test your transaction password by attempting one of the following transfers: Transfer to other JN Bank accounts, local bank transfer or wire transfer. This will prompt you to enter your newly created transaction password.

- Please input the screenshots to show the member how to find the transfer option from both the dashboard and standard view.

The screenshot shows the 'Transfer To Other JN Accounts' page. Three callout boxes provide instructions:

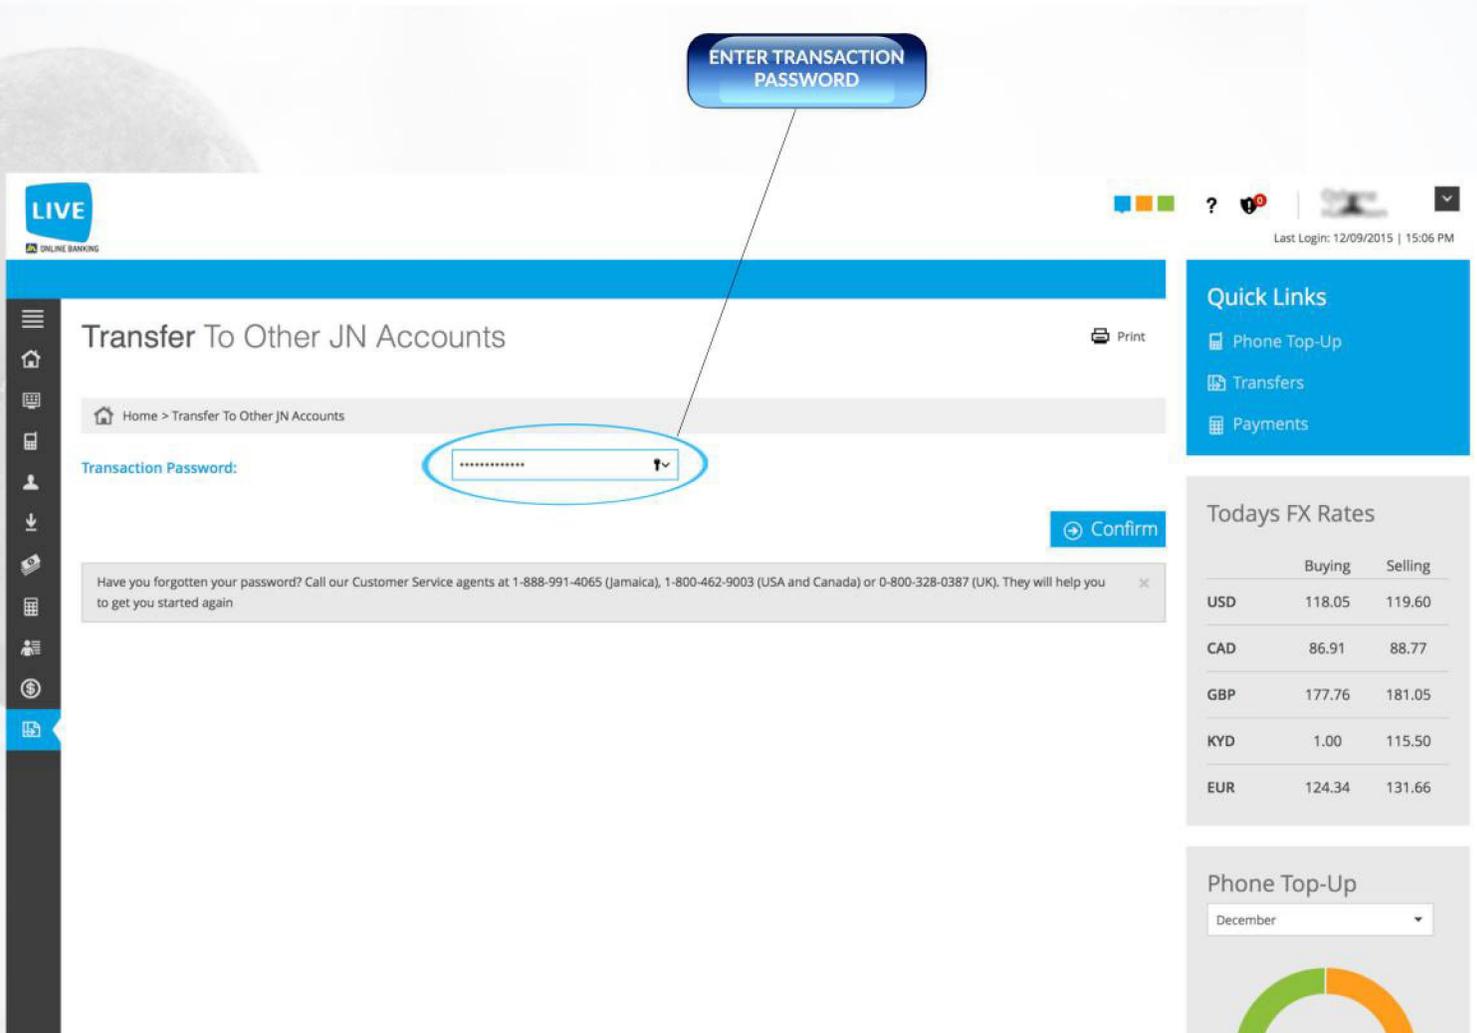

- CLICK MENU ICON TO OPEN:** Points to the hamburger menu icon in the top left corner of the sidebar.
- CLICK TRANSFER BUTTON TO SELECT TRANSFER OPTIONS:** Points to the 'Transfers' option in the sidebar menu, which is highlighted in blue.
- ENTER TRANSACTION PASSWORD TO PROCEED:** Points to the 'Transaction Password:' input field on the main page.

The main page content includes:

- Page title: **Transfer To Other JN Accounts**
- Breadcrumb: Home > Transfer To Other JN Accounts
- Form field: **Transaction Password:** with an empty input box.
- Buttons: **Print** (top right) and **Confirm** (bottom right).
- Message: 'Have you forgotten your password? Call our Customer Service agents at 1-888-991-4065 (Jamaica), 1-800-462-9003 (USA and Canada) or 0-800-328-0387 (UK). They will help you to get you started again'.

## Step 9: Enter newly created transaction password

Enter your transaction password in the required field and select Confirm. If successful, you will be taken to the third party transaction page to select your source account and complete your transaction. If you wish to do another transfer transaction you may select your desired transaction type under the transfer options and enter your transaction password when prompted.

The screenshot shows the 'Transfer To Other JN Accounts' page in the JN LIVE online banking system. A callout box labeled 'ENTER TRANSACTION PASSWORD' points to a password input field. The page includes a navigation menu, a 'Quick Links' sidebar, and a 'Todays FX Rates' table.
